Re: Special Permit Request by
Nicholas Frank, 14 George Hill Road

Dear Chairman Hassinger:

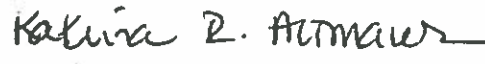

We the undersigned residents of Seven George Hill Road in Grafton write in support of the special permit application filed by Nicholas Frank. We have known the Frank Family both socially and professionally since they first moved to Grafton approximately seven years ago.

The Franks are wonderful neighbors, active members of our town, and highly responsible horse owners, whose expertise in equine medicine has benefitted horse owners well beyond the Grafton community. We wholeheartedly endorse their application for a special permit to keep horses on their property at 14 George Hill Road.

We ask that you share our letter with other members of the Planning Board and with those in attendance at the hearing on November 5, if you feel it is appropriate. Thank you for your time and consideration.

Sincerely,

John J. Barton, Esq.
